

NVP NeVo Video Productions is a division of Nevo A/V Integration Systems, A custom A/V dealer installer company serving the tristate area since 2000.

"Cruising with Classic Cars and Hot Rods" with Gary NeVo is a half hour automotive variety public television show about local auto events, builds/ restorations, auto shows, charitable events, and more. But most of all, it's a show dedicated to the wonderful people behind the scenes of the labor of love keeping the *Scenery of Machinery*© alive. Airing on TV throughout Central Connecticut and Nationwide on Social Media. enthusiasts can see past CCCHR episodes on YouTube Channel: [CCCHR427](https://www.youtube.com/channel/UC6CHR427).

A dedicated **Facebook** page (*Cruising Classiccars*) has been developed to share information about the show, filming events, and it is a place where enthusiasts can view CCCHR event production photos of their *Iron Artwork* ©, we call the automobile.
